80072(a) Appeal Upon Failure to Pass Subject Matter Examination

Within 30 days after a score report for a written examination has been received for any certificate or credential issued by the Commission, an unsuccessful applicant may file a petition of appeal with the Executive Secretary on the grounds of fraud, discrimination, or clerical error in scoring, or other grounds of extraordinary improper acts or circumstances related to which were reported to the test supervisor at the time of the administration of the examination and which a reasonable person could agree deprived the applicant candidate of a fair opportunity chance to take and pass the examination; except that mere failure to pass an examination which has been successfully passed by other applicants shall not be grounds for appeal. Candidates are encouraged to report any extraordinary improper test administration acts or circumstances to the Commission.
